

Inspectable theorem in rotate of each dimension
symmetry broken in world tree emerged with
energy of entropy non commutative from
formation of live in tree waters.

Masaaki Yamaguchi

Adam and eve are eaten with apple of live in tree for acasic record. Therefore, A apple were eaten from Adam and eve firstly. Each distance of experiences in same happend events.

Entropy formula demonstrate with zeta function destrout from all of world tree in stem of groundlines. This stem of function instrumentate for many retree of being endevoired into water of sea in ocean. These norm of being rested with forever of deepist learning, and this read with book of acasicrecord formate with live of water, or this destroute with water into black hole and center of line in white hole, till of center of broken in atom levels, stephaniy of atom received with quarks of particle level for CP violation in AdS5 manifold on universe and other dimension.
