

My first journey of Okinawa trip

Masaaki Yamaguchi

Firstly meet, we unlikely to attempt to get in train of shinkansen, because, we near accidentally to wait for raining stopped while airport of flight time from being wait to that be able to flight from stop raining, however, this flight canceled to be not stopping of rain, then, we come to get on train of shinkansen from Hiroshima station to Osaka station, and arrived to Osaka station, we arrived at Osaka suizokukan, I was only walking without dinner of having no food, I not only walking but also no other because doing with no aimed, and I only existed. I was only walking, and only I saw suizokukan to walk only, but other student get with me of being watch of shot on camera. and we get in bus to Ryokan to hotel in Osaka, this night while we relax to wait to eat of dinner, I happened to get with Onigili from my learned from Onshi, but I couldn't to eat of Onigili, however, I insightly happy to my Onshi mind of warm, we harmony of sleep this night. Next day, we got to get ride of airplane from Osaka airport to Okinawa one, this flight I happen to sit on window side by warm of my Onshi gentle to mind. We gone to be get ride of bus from airport to Okinawa hotel, this hotel seen to be set on sea of side built, I was confused to control of elevator of be how to use with bottom, which bottom of facility of set. This ascent of being from other student by my side person, and went to our room, I slept of this night. Next day, we firstly aimed to study of Okinawa on world wide war, but this study canceled with other obsently aimed, and We journey to enjoy with Okinawa journey streets to be get happy with this trip, and I only was walking and walking with no eat and drink to confused of that I was only no aimed because I only existed. I was absolutely walking with no think to mind, this aimed I demandly time wast to be no contact of other student, and time setting of stop aimed, I was going to get on our bus, already my Onshi and other student got sitting. Our bus got arrived to Okinawa airport, this time bus guide said us to be see to 'back to see, some day we think welcome to meet this high school students' I suddenly couldn't see back sight memory. Then airport got in flight, I this time sit of middle of sheet. After I got test of center test, I this time sit of front of professors. After all, journey of trip of sacrificed city was get another aimed of no more war happened to kill of each other and this trip facility of trigger to mind of get peace of adventur, and adventurer was said us to kill of mind. No more Hiroshima and No more World War, this mind of facility stimulate with person to person, and this facility need to go to school with no hikikomori of my likely.
